

## **Explanatory Note**

### **To By-Law 2025-20**

On December 12, 2024, By-law No. 2024-96 was passed through Council for municipal adoption of Wally Drive from Theme Park Drive to the temporary turnaround constructed as part of the works completed by Parkbridge for Wasaga Meadows - Phase 4 East.

The Town's solicitors subsequently advised staff that the description of Wally Drive in By-law No. 2024-96 was not completely accurate, and this section of Wally Drive had not previously been formally named.

The purpose of this By-Law is to provide the section of Wally Drive with a proper name and to complete the process for municipal assumption of Wally Drive while repealing the previous assumption By-law No. 2024-96.

This By-Law is properly before Council for consideration.
